MEMORANDUM

TO: Michael J. Burke
Superintendent

THROUGH: John-Anthony Boggess
Chief of Staff

FROM: Daniel C. Alexander 
Chief of Police

DATE: January 6, 2022

SUBJECT: Resignation

I have accepted a position on a county executive management team in a community outside of the State of Florida, beginning next month. Please allow this memorandum to serve as my notice of resignation, which would be effective at the close of business on January 21, 2022. I want to express my gratitude for the support I have received from the Board and the District leadership team during the past two years.

Over the last several months, we have successfully met significant challenges, to include the continuing pandemic, student wellness deficits and an increase in various threats to school safety. Most notably, we have flattened the Department's executive command hierarchy, achieved an agreement with the PBA after a lengthy bargaining period, implemented the SaferWatch solution for Alyssa's Law compliance, launched a reunification initiative and revised our protocols to more effectively respond to mental health crises. In summary, our District team continues to build a widely recognized and uniquely robust police department and school safety ecosystem.

Thank you for your leadership and guidance during my tenure with the District. I stand ready to assist you in any way possible, and wish you great success in the future.
